ATTACHMENT

[GSA Bulletin FTR 16]

June 15, 1995

To: Heads of Federal agencies

Subject: Reimbursement of higher actual subsistence expenses for official

travel to Oklahoma City (Oklahoma County), Oklahoma during Presidentially declared emergency.

1. *Purpose.* This bulletin informs agencies of the establishment of a special actual subsistence expense ceiling for official travel to Oklahoma City (Oklahoma County), Oklahoma, where Federal employees performing temporary duty travel necessarily incurred lodging expenses in excess of the applicable maximum per diem rate following the explosion at the Alfred P. Murrah Federal Building. This special rate applies to claims for reimbursement covering travel during the period April 19, 1995, through May 22, 1995.

2. *Background.* The Federal Travel Regulation (FTR) (41 CFR chapters 301-304) part 301-8 permits the Administrator of General Services to establish a higher maximum daily rate for the reimbursement of actual subsistence expenses of Federal employees on official travel to an area within the continental United States. The head of an agency may request establishment of such a rate when special or unusual circumstances, such as a Presidentially declared emergency, result in an extreme increase in subsistence costs for a temporary period. The Department of the Treasury requested establishment of an increased rate for Oklahoma City to accommodate Federal law enforcement agents who performed temporary duty there and experienced a temporary but significant increase in lodging costs during the Presidentially declared emergency following the explosion at the Alfred P. Murrah Federal Building. These circumstances justify the need for higher subsistence expense reimbursement in Oklahoma City during the designated period.

3. *Maximum rate and effective date.* The Administrator of General Services, pursuant to 41 CFR 301-8.3(c), has increased the maximum daily amount of reimbursement that may be approved for actual and necessary subsistence expenses for official travel to Oklahoma City (Oklahoma County), Oklahoma for travel during the period April 19, 1995, through May 22, 1995. Agencies may approve actual subsistence expense reimbursement not to exceed \$145 (\$119 maximum for lodging and a \$26 allowance for meals and incidental expenses) for official travel to Oklahoma City (Oklahoma County), Oklahoma during this time period.

4. *Expiration date.* This bulletin expires on December 31, 1995.

5. *For further information contact.* Jane E. Groat, General Services Administration, Transportation Management Division (FBX),

Washington, DC 20406, telephone 703-305-5745.
